### **Lane closures for portions of Pa'anau Road in Kōloa scheduled June 6 to June 30**

KŌLOA - The Department of Public Works and Pacific Concrete Cutting and Coring, Inc., are announcing that portions of Pa'anau Road in Kōloa will be closed June 6 to June 30, on weekdays, from 8 a.m. to 4:30 p.m.

There will be no work on Friday, June 10, in observance of the King Kamehameha Day Holiday.

These short lane closures are necessary for improvements to pedestrian access to the school, including new sidewalks, crosswalks, and ADA ramps. Safe walking routes for summer students, parents, and pedestrians will be provided and are shown in the attached figure below.

No road work will occur during the peak traffic times for school drop-off and pick-up. Expect occasional brief delays. As a reminder, the speed limit is 15 mph near Koloa Elementary school while school is in session.

This project is scheduled to be completed in October 2022. Dates and times are subject to change depending on weather and other factors.

If you have any questions or concerns, please contact Keith Suga at 808-645-0822.
